IMPORTANT INFORMATION

General

The amount we have insured your vessel for is the agreed value of the vessel. If the information you have provided about the value of the vessel (including the price you bought it for) is false your insurance cover may not be valid and we may refuse to pay your claim.

If you store the vessel for any period consider keeping it in a purpose built cradle.

Remember that your insurance policy is not a maintenance contract. It is up to you to ensure that all reasonable measures are taken to maintain your vessel and machinery.

Important Notice

Don't forget that you must advise us of any matter arising which may affect our assessment of your insurance. Examples include changes in conditions, market value or use of the insured property, attempts to sell the insured property, criminal charges or convictions of any person having an interest in the property, change in the mooring location or type of mooring for your vessel. If in doubt ask, failure to disclose fully and truthfully all relevant information may lead to the insurance being void.

Taxes

There maybe circumstances where taxes may be due that are not paid via Haven Knox-Johnston. If this occurs then it is your responsibility to ensure that these are paid direct to the appropriate authority.

Language

Unless otherwise agreed in writing the language of your insurance wording and any communication throughout the duration of the contract will be in English.

Law and Jurisdiction

Unless specifically agreed to the contrary your insurance shall be subject to English law and the English courts shall have exclusive jurisdiction.

Data Protection Act

To consider your request for insurance cover or to administer subsequent dealings of your insurance we must process your personal data and where appropriate your 'sensitive' personal data and in doing so we will comply with the provisions of the Data Protection Act 1998. For these purposes the Data Controller is Amlin Underwriting Services Limited.

IMPORTANT INFORMATION (CONT.)

Insurance Administration

It may be necessary by law or to effect or administer your insurance to pass your information to a third party whereby we will ensure that anyone we pass your information to will treat it with the same level of protection as if it was dealt with ourselves.

If you give us information about another person, in doing so you confirm that they have given you permission to provide it to us and for us to process their personal data and that you have told them.

Telephone Recording

For our joint protection telephone calls may be recorded and/or monitored.

Premiums and Claims

All premiums received and claims are handled on behalf of the insurer.

THE COVER PROVIDED BY THIS INSURANCE IS SUBJECT TO ALL CONDITIONS AND EXCLUSIONS IN THIS POLICY WORDING AND THE CERTIFICATE OF INSURANCE.

PLEASE NOTE THE PARTICULAR LIMITATIONS RELATING TO MACHINERY SPECIFICALLY IN CLAUSE 3.14.

- 1.1 The Insured is covered for:
 - 1.1.1 all risks of accidental physical loss or damage to the Vessel and/or other insured property specified in the Certificate of Insurance;
 - 1.1.2 loss or damage caused by Latent Defect in the Vessel (but excluding the cost or expense of repairing or replacing the defective part);
 - 1.1.3 negligence, deliberate damage (not caused by the Insured, except in an attempt to save human life), theft and piracy (for which cover is provided solely in relation to the Vessel) provided the Insured has taken all reasonable measures to maintain, protect and secure the Vessel and/or other insured property specified in the Certificate of Insurance; and

- 1.2 The Insured shall recover from the Insurer no more than the Sum Insured less any applicable excess or other deductions in accordance with clause 5.

HAVEN INLAND POLICY WORDING (CONT.)

1.5 In respect of liabilities to third parties:

- 1.5.1 the Insurer shall indemnify the Insured in respect of all claims for personal injury and property damage which the Insured shall by reason of their interest in the insured Vessel become legally liable to pay and shall pay to any third party. The indemnity payable in respect of any one accident, or series of accidents arising out of the same event, shall be limited to the Sum Insured for the Vessel unless there is a sum specified in the Certificate of Insurance;
- 1.5.2 the Insurer will indemnify the insured in respect of the costs that the Insured is responsible for paying for removal of the wreck of the Vessel, provided that the Insurer has agreed to pay for the damage to the Vessel;

- 1.5.4 cover shall extend to any person navigating or in charge of the Vessel with the consent of the Insured. However, such cover shall not include any person operating, or employed by the operator of any ship yard, repair yard, slipway, marina, yacht club, sales agency, delivery contractor or similar organisation.

GUIDE TO MAKING A CLAIM

Whilst no-one wishes to experience any loss or damage to their boat nor any liability to anyone else, accidents do happen. To provide you with peace of mind and a feeling of security concerning your boat, you have taken out insurance. At Haven Knox-Johnston we aim to give you that peace of mind and sense of security by providing an efficient and helpful claims service.

To ensure a claim runs smoothly we will need your assistance. We hope you will take the time to read this section as it contains some useful guidance and sets out some of your duties and responsibilities. It is important that you tell us everything you know about an incident that might give rise to a claim whether you think it is relevant or not, it might become important later.

HOW TO CONTACT US

Tel: 01732 223610 from the UK or +44 1732 223610 from abroad

Fax: 01732 871482

E-mail: havenclaims@amlin.co.uk

Our core office hours are 9 - 5 pm. Outside of these hours we provide a claims message service/helpline.

When loss or damage occurs act as if uninsured. This may seem unusual advice but it is most important that, in the event of any incident involving your vessel you must take all reasonable steps to minimize the loss.

Own Damage

- Take immediate action to safeguard and protect property from further damage or deterioration (this would certainly include taking first aid action in respect of any machinery or electrical items).
- Enlist help (professional if necessary) if immediately required to safeguard/protect craft and equipment. Try to agree a realistic charge or fee if a tow is required before acceptance.
- Retain and look after all broken/torn/damaged items for inspection.

Damaged by Third Party

- Obtain details of boat type/class/number/name/club and any witnesses details in addition to name and address, of helm and boat owner.
- Road Accidents - Obtain details of driver and insurer and any witnesses, or call the Police to the scene.
- If possible write down all the details and make a sketch of the site.

GUIDE TO MAKING A CLAIM (CONT.)

Damage to Third Parties

- If a Third Party wishes to hold you liable for damage (alleged to be your fault) provide them with your insurers details, your name, policy number, boat type/class and boat name/number.
- Do not make any admission of liability and do not make any offer of payment.
- It is not necessary to disclose that you are insured (as with motor insurance). If you receive a claim from another party (the Third Party), acknowledge the correspondence and pass to us immediately.

Theft/Vandalism

- Any theft or malicious damage should be reported to the Police promptly.
- Keep a note of the Police Crime Reference Number.
- We will also need the serial numbers of any engines, tenders etc.
- Notify your club, local harbour master, etc with full details of the theft/vandalism.

While it does not necessarily follow that the costs of any such action will be fully covered by the terms of your insurance, it is in your own interest to take such action. Should you have any doubts as to what to do you should contact us immediately for advice and assistance. Your local marina may also be able to provide assistance.

PROCEDURE

It is very important that we are immediately informed of any event that may lead to a claim under your insurance. We will forward a claim form to you for completion as soon as we are told of the incident. This should be returned to us, fully completed, as soon as possible whether or not you intend to make a formal claim.

We may ask you:

(a) to obtain estimates for repairing any damage

and/or

(b) to obtain quotations for the replacement of any items lost or destroyed.

GUIDE TO MAKING A CLAIM (CONT.)

Any estimates or quotations should be sent to us without delay. We reserve the right to ask you to obtain alternative estimates.

We may instruct a surveyor to inspect and/or investigate. Except in an emergency or to prevent further damage, repair instructions should not be given without prior agreement.

When you are satisfied with the repairs the invoice should be paid by you and the receipted invoices should then be forwarded to us.

Useful Information

1. Please remember that the repair contract is between you and the contractor. Any instructions regarding either repair or replacement must come from you - the owner. You must, however, seek our agreement in the first place.
2. The claim may be subject to deductions in addition to any policy excess and the clauses in the policy wording should be read carefully so that you are fully aware of these (e.g. sails, covers and outboard motors).

This claims information is intended to provide some guidance should you have to submit a claim under your insurance. It does not form part of any policy wording or give any indication of acceptance of liability by the underwriters.

KNOW YOUR BOAT

We do not insist you give us a record of this information when you take out a policy, however, should you need to make a claim, we may ask for some or all of these details. We hope it will be helpful to you to keep a record of this information in one place.
