Helpful Advice

When loss or damage occurs you should act as if uninsured. This may seem unusual advice but it is most important that, in the event of any incident involving your vessel you must take all reasonable steps to minimise the loss.

Damaged by a Third Party

- Obtain details of boat type/class/number/name/club and any witness(es) details in addition to the name(s) and address(es) of the helm and boat owner.
- Road Accidents - obtain details of the driver, vehicle and insurer and any witness(es), and/or call the Police to the scene.
- If possible write down all the details and make a sketch of the site.

Damage to Third Parties

- If a Third Party wishes to hold you liable for damage, provide them with our details, your name, policy number and boat details. You should acknowledge any correspondence and pass it on to us immediately.
- Do not make any admission of liability and do not make any offer of payment.

This 'Helpful Advice' section is intended to provide some guidance should you have to submit a claim under your policy. It does not form part of any policy wording or give any indication of acceptance of a claim.
